## 5. (a) Material Facts Notice and Other Information

You are legally obliged to inform New Ireland of all relevant information (Material Facts) in the application process. Material Facts are those, which an insurer would regard as likely to influence the assessment and acceptance of your application under this Scheme. If you are in doubt as to whether certain facts are material, such facts should be disclosed. If you proceed with this application, membership will be based on the information provided:

- In this application form
- In any tele-interview you complete
- In any other form related to your application
- In any notice by you of changes required in advance of the policy start date
- In any questionnaire completed by you or by a medical examiner and signed by you.

Your Membership may be void (there will be no cover under the Scheme):

- If you do not inform New Ireland of all Material Facts
- If any of the information you provide is not true and complete
- If you do not inform New Ireland of any changes in your medical and/or other information before membership starts.

You may submit answers to any medical questions directly to the Chief Medical Officer at 5 - 9 South Frederick Street, Dublin 2. Please indicate in your letter your name and scheme number to which the information applies. All information will be treated in the strictest confidence. New Ireland may not necessarily contact your doctor(s). Even if they do, you must still disclose all Material Facts. New Ireland may ask you to have a medical examination with your own doctor or an independent nurse or doctor. If this is required New Ireland will notify you in writing.

It is your responsibility to ensure that the information provided is true and complete whether the information was completed by you or on your behalf. All material facts must be completed by you.

When you complete a tele-interview it will be recorded and you will be sent a transcript of the tele-interview for you to check and keep for your records. If any information set out in the transcript is inaccurate or incomplete you are required to notify New Ireland within 10 working days of receipt of the transcript.

Any changes to the information provided in the application process which occur before your acceptance into the Scheme must be notified immediately in writing to New Ireland Assurance.

### Material Facts exemption in relation to genetic tests

You are not required to disclose any genetic tests you may have had and New Ireland will disregard any genetic tests which may come into our possession. You are, however, required to provide New Ireland with full details (other than genetic tests) in answer to all the medical details questions in Section 6.

**2 Medical questions** – This means that, as you cannot answer 'No' to all questions in Section 5(c), you must answer each of the medical questions in Section 6, complete Section 7, read the material in Section 9 and supply all relevant data. ## 8. Declaration

**WARNING: Please read the declaration below carefully and ensure that you fully understand it before signing it. If you cannot complete this declaration, please contact your local Cornmarket Consultant or call (01) 470 8054 for further information.**

I have read and understand the replies to all the questions in this application and declare that all statements made in this application form, in any tele-interview I complete or in any questionnaire completed by me or by a medical examiner in connection with this application and signed by me are true and complete and shall be the basis of my application for membership under the Scheme.

I have read and understand the notes in relation to the Material Facts and Other Information Section and understand that if I do not tell New Ireland all Material Facts, my membership under the Scheme could be void. If this happens, I understand and acknowledge there will be no cover under the Scheme, New Ireland will not refund my premiums and New Ireland will not pay a claim. I also understand that I may encounter difficulty in obtaining cover elsewhere.

I understand any changes in my health, circumstances or the statements in this application, in any tele-interview completed by me, in any questionnaire completed by me or by a medical examiner in connection with this application and signed by me, or in any statement made by me in writing, must be notified in writing to New Ireland before membership commences.

Membership under this Scheme will not start until New Ireland has accepted me, in writing, for any benefit. In the event of my application not proceeding, I understand information provided in connection with my application will be retained by New Ireland for a period of six years to facilitate any future application by me and as a protection against non-disclosure of material facts.

I authorise New Ireland to seek information from any doctor, now or in the event of a claim, who has attended to me and I authorise them to give New Ireland such information. I agree that this authority will remain in force after my death. I agree that if I have provided a telephone number New Ireland or a duly authorised agent of New Ireland may contact me in person, by phone, if it considers it necessary to obtain further medical or other information relating to my application.

I confirm that I have completed and understand the Scheme eligibility criteria section of this application form. I confirm that all answers provided by me in this regard, whether written by me or on my behalf, are true and complete and I understand that membership of this Scheme is conditional upon my continued union membership if applicable and employment with the relevant employer if applicable. I also confirm that I am actively at work and that I understand the meaning of actively at work\* as defined below.

**\*Actively at work – This means:**

- **On the day of completing this application, you:**
  - **are working your normal contracted number of hours**
  - **have not received medical advice to refrain from work**
  - **are not medically restricted from fully performing the normal duties associated with your occupation**
  - **are not awaiting the result of a Coronavirus (COVID 19) test and**
- **In the previous 30 days you have not:**
  - **had any of the following symptoms of Coronavirus (COVID-19) – a cough, high temperature, fever, fatigue or breathing difficulties**
  - **had a positive test for Coronavirus (COVID 19)**
  - **been advised to have a Coronavirus (COVID 19) test.**

**Those on career break, taking carer's leave or other forms of unpaid leave are not considered 'actively at work'.**

**Those taking parental leave are not considered 'actively at work' unless they are working a reduced number of hours every week throughout their leave and otherwise meet the eligibility criteria of the Scheme.**

I understand that where there is the potential for a period of free Scheme membership (the Free Offer) at the beginning of this contract, as described on the front page of this application form where relevant, and I am eligible to avail of the Free Offer, my premium payments to the Scheme will automatically commence at the end of the Free Offer period. I understand that the Free Offer period will commence when I am formally accepted into the Scheme by New Ireland.

I confirm that I have obtained the Scheme Summary Booklet and the Cornmarket Terms of Business document and will review them.

In relation to all benefits available under the Scheme, including specified illness cover if applicable, I understand

- the meaning of disability as explained in the Scheme Summary Booklet
- the benefits available and the exclusions/restrictions
- the reductions to the benefit where there are disability payments from other sources
- policy conditions that apply to the Scheme.
- that there is a 30 day cooling off period, which begins when my membership is accepted by New Ireland Assurance and during which period of time I may change my mind and cancel my membership of the Scheme and receive a refund of any premiums paid.

I agree that a member of Cornmarket staff may correct/amend my details entered into Section 4 in order to ensure my application is processed in a timely manner. A copy of any such amendment will be sent to me when my application is processed and I undertake to advise Cornmarket without delay should any such amendment be incorrect. I understand that fields or declarations left unanswered or answered incorrectly, will likely result in a delay with the processing of my application or potentially prevent the application from being processed altogether.

I understand that it is a condition of membership that I accept that the Scheme is a reviewable group scheme and that the terms of the Scheme may be amended or terminated altogether. I also understand the Scheme owner's decisions in such matters are binding on all members of the Scheme.

I confirm I have been informed about Cornmarket's and New Ireland's Data Privacy Notices and where to find these.

## 9. Tele-interview

### Why are tele-interviews used?

You may be contacted by telephone by a registered nurse working for Medicals Direct (a specialist company who carry out the phone calls on the insurer's behalf) to obtain more information about your present health, lifestyle, occupation, and the medical history of you and your family.

### Tele-interviews are used because:

- They enable the insurer to tailor medical questions to each applicant.
- They enable the insurer to obtain a clear understanding of your health in order to risk assess your application more quickly and offer you the best possible terms for insurance.
- Many applicants find them more convenient than attending a medical examination.

The information you provide will be treated in the strictest confidence, and used only in the assessment of your application or in the event of a claim. With this in mind, the nurse will ask you to confirm some personal information, as a security check and to ensure confidentiality and that you are comfortable to undertake the interview at that particular time.

After this, they will ask you relevant questions required to process your application.

### Instruction

It is essential that you provide all requested information regarding your medical history. This telephone call will be recorded. It will form part of your application for cover and, if accepted, will form the basis of your contract with the insurer along with any other medical information obtained by the insurer. Therefore, all the questions should be answered fully and honestly, as failure to do so could invalidate your cover and any future claims.

### When will the tele-interview take place?

You will be contacted normally within a day or so of Cornmarket submitting your application form to the insurer to arrange a suitable time for your interview. If, when you are called, it is not a convenient time, then just ask to re-arrange to a more convenient time.

If you have not been contacted within three days, or you have been away or out of touch, please phone New Ireland Assurance on 01 617 2595. For service, verification and training purposes incoming and outgoing calls may be recorded. Call charges may vary depending on your service provider.

If you are not free to answer the questions when called, the Nurse will be happy to arrange a more suitable time for the interview to take place.

The Nurses are able to undertake interviews from:

- 9am to 8.30pm Monday to Thursday.
- 9am to 4pm on Fridays.
- 10am to 4pm on Saturdays.

It is important that you are in a confidential environment and able to speak freely and have the time to spare to complete the interview. The interview takes on average 20 minutes to complete. It is better not to conduct the interview over a mobile phone, but if this is your preference, we will do so. We will not complete an interview if you are driving.

### What do I need to prepare?

If a tele-interview is deemed necessary by the insurer then your application for insurance cannot be processed until the interview has taken place. To prepare for your interview, please take some time to gather the following information and have this to hand when you receive the call:

- Any medication you are currently taking (including the name and dosage)
- Any past or present medical condition suffered, (other than very minor ailments such as the common cold)
- Any tests or investigations, e.g. blood pressure, cholesterol tests. It would be helpful if you phone your GP or whoever did these tests, to get the results.
- Details of any serious condition, such as cancer, heart attack, stroke, suffered by a member of your immediate family (your mother, father, brothers or sisters, or half brothers and sisters).
- We will ask for your height and weight. If you do not know your weight, please try and weigh yourself prior to the interview.
- It is helpful to think about your recent medical history, for example in the past few years, did you visit the doctor or have you missed any time off work? If so, why and what medication did you receive?

If you are not sure whether something is important, then it is best to mention it.

### What if I do not wish to discuss my medical details over the phone?

If you are not happy providing your medical details over the phone, please advise Medicals Direct when they call you or contact Cornmarket on (01) 470 8054 and we will post you the relevant forms for your completion instead. You can then post these forms back to Cornmarket.

### What happens after the tele-interview?

You will be sent a transcript of the call to check and ensure that the information is complete and accurate. Although a little time consuming it is in your best interest to undertake this task with all due care. If you are aware of inaccurate or incomplete details or of any changes required to the report, you are required to amend the transcripts.

# Payment Mandate

## Instruction

Please complete the Salary Deduction Mandate. If your employer does not facilitate Salary Deduction, you should complete the SEPA Direct Debit Mandate. Alternatively, if you are unsure as to whether or not your employer provides Salary Deduction facilities, you should complete both mandates. If you do complete both mandates, Cornmarket will only process the SEPA Direct Debit Mandate in the event that a Salary Deduction facility is not available with your employer.

## Salary deduction mandate (Please ensure all fields are fully completed)

To: The Finance Officer, Employer:

Regarding Scheme Name:

Please make a deduction directly from my pensionable pay in respect of my premiums under the policy, as stated above, and remit this deduction to Cornmarket on my behalf. I understand and agree the following:

- That the Deduction at Source (DAS) facility is being made available solely as a matter of convenience to me and may be terminated at any time and beyond paying the sums deducted to Cornmarket, my employer accepts no responsibility of any kind in the matter.
- That the deduction is to commence as soon as possible and to continue until and unless I serve further written notice to Cornmarket. Cornmarket has the right to alter the amount of this deduction in line with agreed amendments in the premium rate.
- Any arrangements for refund of deductions or collection of arrears are to be made directly with Cornmarket and that my Employer, as stated above, will not be responsible for such matters
- It is my own responsibility to ensure the correct deduction is made from my pay and to notify Cornmarket if I wish to amend or cancel the deduction from my pay.
- There may be a delay of up to two months in commencing, amending or ceasing my deduction due to payroll scheduling and the fact that amendments to mandates are submitted to my employer on a monthly basis.
- I will correspond directly with Cornmarket in relation to the deduction from my pay or the product that I am availing of.
- It is a matter for Cornmarket to advise me of the withdrawal of the DAS facility and to contact me to make alternative arrangements for the collection of any monies due and I further understand that my Employer, as stated above, shall have no responsibility of any kind where policies of any nature lapse due to the withdrawal of the DAS facility.

## SEPA direct debit mandate

In the event that you are accepted as a Scheme member and have to pay premium by Direct Debit, please note:

- Where you are eligible to claim tax relief on your premium, or part thereof, you will need to send Revenue the premium statement so they can grant you income tax relief. Cornmarket will send the premium statement to you when you are accepted into the Scheme. If, throughout the course of your membership of the Scheme, you change your cover and hence premium amount, you should request an up-to-date Premium Statement from Cornmarket to send to Revenue so that Revenue can amend your income tax relief accordingly.
- Your premiums will reflect the last gross salary you notify to Cornmarket or the last gross salary that we estimate for you at the last Scheme review. As a result the salary covered by the Scheme will be based on either the salary covered by your premiums or the actual salary you are earning at the end of the deferred period as confirmed by your employer, whichever is lower. The onus is on you to ensure you advise Cornmarket of any salary changes so that we can adjust your premium accordingly so that your cover is provided in line with your current gross salary and are paying the correct premium amounts.
- You may incur charges from your bank.
