5. (a) Medical and other important information

Your personal health information:

In addition to Irish Life's Data Privacy Notice, the following is more detail relating to your personal health information that they collect and use in connection with this contract.

Irish Life needs your relevant personal information and personal health information for underwriting decisions. This will determine whether they can offer cover and on what terms. Irish Life also needs your relevant personal information and personal health information to assess and pay claims. If relevant, Irish Life will share your personal health information with reinsurers for underwriting and claims decisions. Irish Life can use your personal information and personal health information for any subsequent applications to Irish Life.

In addition to the personal health information Irish Life collects from you, they will request and receive your relevant personal health information from GPs, consultants, hospitals or other health professionals, and share your relevant personal health information with GPs, consultants, hospitals or other health professionals, if needed.

Material facts:

You must tell Irish Life all relevant information when answering all of the questions. If you do not, or if any answers are not true and complete, Irish Life could treat your membership of the Scheme to be void. If you fail to reveal all material facts there will be no cover provided to you under the Scheme, Irish Life will not refund the payments and they will not pay a claim.

A material fact (relevant information) includes anything that would likely influence the assessment and acceptance of an application for insurance. If you are not sure whether something is relevant, you should disclose it anyway. If there is anything not covered by the questions on this form that you think Irish Life should know, please disclose it in the section under the medical questions. Irish Life may also contact you if they need to ask you for further information on your answers or as part of any subsequent claim. Irish Life will rely on what you tell them and they will not automatically clarify or confirm any information you provide.

If your health, circumstances, or answers to any of the questions in this application form change between the date you apply for cover and the date your application is accepted, you must let Irish Life know immediately as failure to do this may result in a claim being refused.

Genetic test information:

You should not disclose any genetic test (that is, any analysis of chromosomes, DNA or RNA to detect genetic abnormalities in individuals) which you may have had.

You must however, disclose if you are having treatment for, or experiencing symptoms of, a genetic condition. You will be asked for full information about your family history, including all genetic conditions.

2 Medical questions – This means that, as you cannot tick to confirm all of the statements in Section 5(c) are true to you, you must answer each of the medical questions in Section 6 and 7, read Section 9 and supply all relevant data. 8. Declaration

WARNING: Please read the declaration below carefully and ensure that you fully understand it before signing it. If you cannot complete this declaration, please contact your local Cornmarket Consultant or call (01) 470 8054 for further information.

I understand and agree that my contract with Irish Life Assurance plc (Irish Life) will be based on the declarations in this form, my completed application form (online or otherwise), any supplementary questions answered, any statements made to Irish Life in writing or by telephone, any information I give to a medical examiner acting for Irish Life and all terms and conditions given to me by Irish Life.

I have read and understand the important information about my obligation to tell Irish Life about all material facts in connection with the application and I understand that if I do not tell Irish Life all material facts, this contract could be void. If this happens, I understand and acknowledge there will be no cover available to me under the Scheme, Irish Life will not refund my premiums and Irish Life will not pay a claim. I also understand that I may encounter difficulty in obtaining cover elsewhere.

I declare that all information, statements and answers I have provided, are true and complete. I understand that I must tell Irish Life in writing about any changes in my health, circumstances, or if any answers to the questions in this application form change between the time I applied for cover and the date my application is accepted.

I understand that my membership of the Scheme will not start until Irish Life has accepted me for cover. I understand that Irish Life can use my personal information for any subsequent applications to Irish Life.

I authorise Irish Life to request and receive my personal health information now (or as part of any claim assessment including after my death) from any GPs, consultants, hospitals or other health professionals who at any time have attended me concerning my physical or mental health and to share my personal health information with any health professional for the purpose of processing my application and assessing claims.

I confirm that I have completed and understand the Scheme eligibility criteria section of this application form. I confirm that all answers provided by me in this regard are true and complete and I understand that membership of this Scheme is conditional upon my continued union membership if applicable and employment. I also confirm that I am actively at work today and that I understand the meaning of actively at work today* as defined below.

***Actively at work today – This means you:**

- **Are working your normal contracted number of hours**
- **Have not received medical advice to refrain from work**
- **Are not medically restricted from fully performing the normal duties associated with your occupation**
- **Are not currently absent from work due to experiencing COVID-19 symptoms i.e. continuous cough, a high temperature or breathing difficulties, testing positive for COVID-19, being advised to have a COVID-19 test or waiting on a COVID-19 test result**

Those on paid or unpaid statutory maternity, adoptive or paternity leave are considered 'actively at work' as long as this period of leave is not in excess of 42 weeks in total. Your deferred period will only start on the day you are due to return to work
Those on career break, carer's leave, parental leave or other forms of unpaid leave are not considered 'actively at work'.

I understand that where there is the potential for a period of free Scheme membership (the Free Offer) at the beginning of this contract, as described on the front page of this application form where relevant, and I am eligible to avail of the Free Offer, my premium payments to the Scheme will automatically commence at the end of the Free Offer period. I understand that the Free Offer period will commence when I am formally accepted into the Scheme by Irish Life.

I confirm I have read and understood the Medical and Other Important Information section. I obtained the Scheme Information and the Cornmarket Terms of Business document and will review them within the cooling-off period. In relation to all benefits available under the Scheme, I understand:

- The benefits available and the exclusions, restrictions and limitations associated with them
- The terms and conditions
- There is a 30 day cooling-off period, which begins when my membership is accepted by Irish Life

A member of Cornmarket staff may correct/amend my details entered into Section 4 in order to ensure my application is processed in a timely manner. A copy of any such amendment will be sent to me when my application is processed and I undertake to advise Cornmarket without delay should any such amendment be incorrect. I understand that fields or declarations left unanswered or answered incorrectly, will likely result in a delay with the processing of my application or potentially prevent the application from being processed altogether.

I understand that it is a condition of membership that I accept that the Scheme is a reviewable group scheme and that at the next review date the terms of the Scheme may be amended or terminated altogether. I also understand the Scheme owner's decisions in such matters are binding on all members of the Scheme.

I confirm I have been informed about Cornmarket's and Irish Life's Data Privacy Notices and where to find these.

9. Tele-interview

Why are tele-interviews used?

You may be contacted by telephone by a qualified nurse working for MorganAsh Ltd. (a specialist company who carry out the phone calls on the insurer's behalf) to obtain more information your present health, lifestyle, occupation, and the medical history of you and your family.

Tele-interviews are used because:

- They enable the insurer to tailor medical questions to each applicant.
- They enable the insurer to obtain a clear understanding of your health in order to risk assess your application more quickly and offer you the best possible terms for insurance.
- Many applicants find them more convenient than attending a medical examination.

The information you provide will be treated in the strictest confidence, and used only in the assessment of your application or in the event of a claim. With this in mind, the nurse will ask you to confirm some personal information, as a security check and to ensure confidentiality and that you are comfortable to undertake the interview at that particular time.

After this, they will ask you relevant questions required to process your application.

Instruction

It is essential that you provide all requested information regarding your medical history. This telephone call will be recorded. It will form part of your application for cover and, if accepted, will form the basis of your contract with the insurer along with any other medical information obtained by the insurer. Therefore, all the questions should be answered fully and honestly, as failure to do so could invalidate your cover and any future claims.

When will the tele-interview take place?

You will be contacted normally within a day or so of Cornmarket submitting your application form to the insurer to arrange a suitable time for your interview. If, when you are called, it is not a convenient time, then just ask to re-arrange to a more convenient time.

If you have not been contacted within 3 days, or you have been away or out of touch you may like to phone MorganAsh on Free-phone 1800 80 50 22. If you have call barring on your phone, please arrange to allow MorganAsh to phone you, or you may like to call them on the above number.

When you schedule a time for your interview, you will be given an hour's time slot and you should get a call in the first 30 minutes of this hour. If you are not free to answer the questions when called, the Nurse will be happy to arrange a more suitable time for the interview to take place.

The Nurses are able to undertake interviews from:

- 9am to 9pm Monday to Thursday.
- 9am to 7pm on Fridays.
- 10am to 2pm on Saturdays.

It is important that you are in a confidential environment and able to speak freely and have the time to spare to complete the interview. The interview takes on average 20 minutes to complete. It is better not to conduct the interview over a mobile phone, but if this is your preference, we will do so. We will not complete an interview if you are driving.

What do I need to prepare?

If a Tele-interview is deemed necessary by the insurer then your application for insurance cannot be processed until the interview has taken place. To prepare for your interview, please take some time to gather the following information and have this to hand when you receive the call:

- Any medication you are currently taking (including the name and dosage)
- Any past or present medical condition suffered, (other than very minor ailments such as the common cold)
- Any tests or investigations, e.g. blood pressure, cholesterol tests. It would be helpful if you phone your GP or whoever did these tests, to get the results.
- Details of any serious condition, such as cancer, heart attack, stroke, suffered by a member of your immediate family (your mother, father, brothers or sisters, or half brothers and sisters).
- We will ask for your height and weight. If you do not know your weight, please try and weigh yourself prior to the interview.
- It is helpful to think about your recent medical history, for example in the past few years, did you visit the doctor or have you missed any time off work? If so, why and what medication did you receive?

If you are not sure whether something is important, then it is best to mention it.

What if I do not wish to discuss my medical details over the phone?

If you are not happy providing your medical details over the phone, please advise MorganAsh when they call you or contact Cornmarket on (01) 470 8054 and we will post you the relevant forms for your completion instead. You can then post these forms back to Cornmarket.

What happens after the tele-interview?

You will be sent a transcript of the call to check and ensure that the information is complete and accurate. Although a little time consuming it is in your best interest to undertake this task with all due care. If you are aware of inaccurate or incomplete details or of any changes required to the report, you are required to amend the transcripts.

To: The Finance Officer, Employer:

Regarding Scheme Name:

Please make a deduction directly from my pensionable pay in respect of my premiums under the policy, as stated above, and remit this deduction to Cornmarket on my behalf. I understand and agree the following:

- That the Deduction at Source (DAS) facility is being made available solely as a matter of convenience to me and may be terminated at any time and beyond paying the sums deducted to Cornmarket, my employer accepts no responsibility of any kind in the matter.
- That the deduction is to commence as soon as possible and to continue until and unless I serve further written notice to Cornmarket. Cornmarket has the right to alter the amount of this deduction in line with agreed amendments in the premium rate.
- Any arrangements for refund of deductions or collection of arrears are to be made directly with Cornmarket and that my Employer, as stated above, will not be responsible for such matters

SEPA direct debit mandate

In the event that you are accepted as a Scheme member and have to pay premium by Direct Debit, please note:

- Where you are eligible to claim tax relief on your premium, or part thereof, you will need to send Revenue the premium statement so they can grant you income tax relief. Cornmarket will send the premium statement to you when you are accepted into the Scheme. If, throughout the course of your membership of the Scheme, you change your cover and hence premium amount, you should request an up-to-date Premium Statement from Cornmarket to send to Revenue so that Revenue can amend your income tax relief accordingly.
- Your premiums will reflect the last gross salary you notify to Cornmarket or the last gross salary that we estimate for you at the last Scheme review. As a result the salary covered by the Scheme will be based on either the salary covered by your premiums or the actual salary you are earning at the end of the deferred period as confirmed by your employer, whichever is lower. The onus is on you to ensure you advise Cornmarket of any salary changes so that we can adjust your premium accordingly so that your cover is provided in line with your current gross salary and are paying the correct premium amounts.
- You may incur charges from your bank.
